- **A one million dollar liability insurance rider** is also required from your insurance company naming Luther Burbank Art and Garden Center as “the other or additional insured”. This is usually done at no charge through your insurance company for a one-day event. This protects both the renter and LBAGC in case of any problems. If for some reason your insurance company does not offer this service, it is available online from online event services.

\* **The security/cleaning deposit is returned** if the renter leaves the facility in the same condition as it was found upon renting the facility, following the closing checklist provided. Otherwise any cleaning or damage costs will be withheld. Allow several weeks to receive refund after the event.
